THE GREENHOUSE IS JUST THE BEGINNING

Prospiant's expertise doesn't end at the greenhouse structure. Our equipment line includes benching, ventilation, irrigation, and more — everything needed to make your retail greenhouse complete.

Whether you want to go with passive ventilation or mechanical ventilation for more precise temperature control, our team works with you to optimize your environment.

We can also provide shade and energy curtains, heating, cooling, storage buildings, retail benching, and more to create the ideal retail environment.
